

## **Agreement for the submission and publication of articles in the Andalusian Journal of Digestive Pathology (*Revista Andaluza de Patología Digestiva*).**

### **1. Acceptance of the agreement**

By submitting your scientific article entitled “ ” (hereinafter ”The Article’) through the online platform of the *Revista Andaluza de Patología Digestiva* (hereinafter ‘The Journal’), you, \_\_\_\_\_ (hereinafter ‘The Author’), accept the terms and conditions set out in this agreement.

### **2. Copyright**

The Author declares that he/she is the copyright holder of the Article and that the Article is original and has not been previously published elsewhere. By accepting this agreement, The Author grants The Journal a non-exclusive licence to publish and distribute the Article in any format, whether print or digital, and to disseminate it in databases and digital repositories.

### **3. Creative Commons License**

The Article is published under the Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International (BY-NC-ND 4.0) License. This license implies the following:

- Attribution: Credit must be given to The Author, without suggesting that The Author endorses any use of the Article.
- Non-Commercial: The Article may not be used for commercial purposes.
- No Derivative Works: No modified versions of the Article may be distributed.

### **4. Allowed uses**

The Author retains the right to use his/her own Article for personal, academic and research purposes, including archiving in institutional repositories or on personal websites, as long as the first publication in The Journal is mentioned and the Creative Commons BY-NC-ND 4.0 licence is respected.

### **5. Patient or health-related photographs**

If the Article includes photographs that contain information related to the health of individuals (such as images of patients, clinical samples or other sensitive data), the Author represents and warrants that:

- Has obtained the express, free and informed consent of the persons involved or, where applicable, their legal representatives, for the capture and use of such images in the Article.
- You have the necessary rights to include these photographs in the Article, respecting the Creative Commons BY-NC-ND 4.0 licence.
- All necessary measures have been taken to ensure the confidentiality and protection of the privacy of the persons involved.

## **6. Ethical standards**

The Author assures that the Article complies with the applicable standards of ethics and scientific integrity. In particular, the Author warrants that:

- The work has been carried out with the approval of the relevant Ethics Committee and with respect for the rules laid down by the Human Rights committees for research involving human subjects and laboratory animals.
- The necessary permissions have been obtained, especially the consent of the patients to safeguard their privacy, and the necessary consent forms have been completed.
- Necessary permissions have been obtained for the reproduction of copyrighted materials from third parties, if applicable.
- The content of the article is original, non-plagiarised, and has not been falsified or manipulated.
- Images and data relating to the health of individuals have been obtained and used in accordance with clause 5 of this agreement.

## **7. Conflicts of interest**

As stipulated in the conflict of interest section of the Journal's publication guidelines and in accordance with the rules of the International Committee of Medical Journal Editors, it is necessary to disclose in writing the existence of any relationship between the authors of the article and any public or private entity from which a potential conflict of interest may arise.

The Author declares that he/she has informed The Journal of any conflict of interest that could influence the interpretation or presentation of the Article. If any, conflicts of interest will be clearly indicated in the Article itself.

Selection options:

The first-signing author of the referenced manuscript, on behalf of him/herself and all signing authors, declares that there is no potential conflict of interest related to the Article.
